Dear Above Noted Criminal Justice, Public Safety and Bank Officials:

I write this criminal report affidavit with respect to the above summarized and exhibits attached Regional Killer C. Boyden Gray, name aligned, criminal law front led housing terrorism, bank deregulation, income lynching, criminal good-standing driver license suspension crimes, his name aligned betray the Constitution crimes his judicial imposture and corruption crimes, and his repeated attempted murder killings inflicted on me, and millions of other innocent and healthy people, without penalties yet.

I seek the death penalty for his multiple NY eugenic assassination programming's, his felony murder crimes that merit a death sentence based on his history of a "reckless disregard for human life" and his ongoing, continuous, and committed crimes that carry "a grave risk of death."

Recently, his eugenic assassination and attempted murder crimes have escalated, and the 47th precinct police have had to be called to stop his organized fraud attempted murders of me, such as using the building super to terrorize me and vandalize my home via repeated elevator and apartment electricity shut offs. Please see the exhibits attached. In exhibit 1C, you will see the Regional Killer C. Boyden Gray name aligned, Covid healthcare, induce hospitalization killing of the owner of this building I live in. He programmed the killing of the owner of the building using his name aligned financial deregulation crimes in his name aligned Premier Capital Funding Company. He financially assaulted the owner and then had him induce hospitalized and killed under his name aligned prepaid Covid healthcare hospital kill programming.

Since, not stopped, he is using this eugenic killing script, pattern, and practice on the tenants in the building and on other New Yorkers. In summary, he is using his financial deregulation banking crimes to financially destroy and create eugenic assassination prey. Thereafter, as in this matter, he is using his name aligned, infectious disease carrying, laboratory rodents, to bite and infect, tenants and other New Yorkers, to induce illness, disease, and hospitalizations, for his hospital prepaid killings, using his law front, as the programming guide.

Regional Killer C. Boyden Gray is a criminally senile, 82-year-old eugenicist and racist, who specializes in eugenic assassination programming of all people, but he has a deadly and disproportionate discriminatory impact. Please see the reference section.

C. Boyden Gray's criminal use of the building super for his eugenic assassination programming's have to be stopped. Currently, Regional Killer C. Boyden Gray has criminally usurped authority over the entire building's management and has done so for his patterned and practiced eugenic assassination programming's. This includes his use of the super for the elevator disablement, use of the super and basement for his laboratory rodent breeding, infestation, and rodent feces collection. Use of his name aligned boilers for water poisoning, use of the ventilation system for his name aligned induced toxic air particulates that induce heart attacks, strokes, elevate blood pressure and more. Please see exhibits 26, 27, and 63.

At present, the tenants and I are being tortured by Regional Killer C. Boyden Gray's multiple eugenic/induce sickness and kill programming's. Foremost, he has the elevator shut off using his repeated defective, scribbled on, super handwritten signatures, fraudulent elevator cease order. See exhibit 1A. Since May 29, 2023, the super has turned off the working elevator and has made no effort to repair such. He has done such as no one is supervising the safety of the building since Regional Killer C. Boyden Gray's name aligned murder of the owner, to kill the tenants to meet his criminal senile satanic wealth and power killing requirements, as exemplified in his paid for satanic ALTAR placed in the building's basement, previously, for the sole purpose of assassination programming. Please see exhibit 64.

Regional Killer C. Boyden Gray is paying the super to harass tenants, on behalf of Regional Killer C. Boyden Gray's hatred and envy of people of color and due to his unregulated criminal senile enjoyment in creating and assaulting vulnerable populations of people.

He has used this defective elevator cease order to torture tenants in the past and he has repeatedly used the elevator shut off with a fraudulent elevator cease order to retaliate against me. Please see one of his other fraudulent elevator cease orders at page 27 <https://www.forevermissed.com/1st/m/a/mazarine-levy-snyder/d/3082215.pdf>.

He has the elevator turned off on holidays and usually during the 1st and 3rd of the month. Mother's Day the elevator was criminally turned off because no one is stopping this regional killer and securing the safety of this building. See the attached photos/exhibits of the criminal senile damages inflicted in this building to create a Regional Killer C. Boyden Gray rat infested, elevator shut off torture chamber, building, withholding tenants to the building via Regional Killer C Boyden Gray bank and credit deregulation crime programming, for his eugenic assassinations. See the exhibits attached.

Regional Killer C. Boyden Gray is using this building for torturing, assaulting, and inducing untimely deaths of seniors, elders, and the disabled. He is using the tenants for unconsented scientific obstruction programs, such as his name aligned rodent chemical disease carrying and biomonitoring program, in exhibits 3B and 9, his name aligned radiation/energy box placements in the hallways, next to humans, that cause cancer, tumors, induce strokes, elevate blood pressure.

See his radiation/energy box placements in the hallway of this building with no consent and no reason, other than his covert plot to slow kill tenants. Please see his name aligned energy/radiation boxes placed in the building hallway, with no reason, yet with evidence that radiation and energy devices close to humans is pure evil designed to kill tenants.

Please see exhibits 22-24 and:

OR

In summary, Regional Killer C. Boyden Gray via the criminal super has several eugenic assassination, induce disease and induce hospitalization killing programs in the building, under plausible deniability building ownership, since his name aligned murder of the owner of the building. See exhibit 1C.

These Regional Killer C. Boyden Gray name aligned eugenic assassination programming's in my building include:

1. Regional Killer C. Boyden Gray's NYC counterfeit and defective elevator cease order used to shut off the working elevator. I live on the 6th floor. See exhibit 1A. This order is just like his counterfeit and defective NYS Tax warrant in exhibit 56. It is a fraud, used to kill people, is used to steal money and property from the elderly and disabled, and has a discriminatory killing and good-standing driver license suspension impact.
2. His name aligned rodent breeding, infestation, and feces collection, using this building as Regional Killer C. Boyden Gray name aligned NYC rodent breeding laboratory for NYC rodent and rodent feces disseminations. See exhibits 2-21.
3. Regional Killer C. Boyden Gray radiation and energy boxes placed on each floor in all the hallways in the building with no tenant consent, no public safety concern, and in contravention to all safety is the supreme maxim of law guidelines. These radiation and energy boxes are known to induce and cause slow killings, cancer, and brain tumors. See: <https://www.youtube.com/watch?v=GiWM-HCdu1I> and exhibits 22-24.
4. Regional Killer C. Boyden Gray, payment of the super to place Regional Killer C. Boyden Gray name aligned deadly air toxins and air particulates that induce stroke, heart attack, blood clots, elevate blood pressure, and more. Please see exhibits 26-27. To facilitate his induce cardiac assaults, Regional Killer C. Boyden Gray has the below linked, eugenic, economic credentialed cardiac centers and surgeon impostures ready to butcher Regional Killer C. Boyden Gray financially assaulted, easy eugenic prey creations. These economic credentialed cardiac centers and surgeons are in place at exhibits 29-31C AT: <https://drive.google.com/file/d/1ozGyXiSNfxejjPMK4wWunkGPLzfqSkhB/view?usp=sharing>
5. Regional Killer C. Boyden Gray name aligned deadly and poisonous building boiler. See exhibit 63.
6. Regional Killer C. Boyden Gray use of his criminal law front to use the super to come in my apartment and vandalize, damage, and terrorize. See examples at exhibits 2-21.
7. Regional Killer C. Boyden Gray name aligned Rodents carry disease chemical infestations under the disguise of a criminal Biochemical, biomonitoring eugenic assassination programming. See exhibit
8. Regional Killer C. Boyden Gray use of his criminal law front for his name aligned bank deregulation crimes, implemented to financial assault his eugenic assassination targets, for easy eugenic assassination programming's. Please see exhibits 34 – 49.

I seek felony attempted murder charges against Regional Killer C. Boyden Gray for his current and past multiple eugenic assassination programming's inflicted on tenants in my building, New Yorkers all over, me, and for his name aligned over 50 years of eugenic assassination programming's and killings, without penalties, yet. Please see the below attestation and the reference section.

Regional Killer C. Boyden Gray's over 50 years of eugenic assassination programming without penalties, has created a torture and killing animalistic creature, entitled to an earned death penalty prosecution. Currently, he is using the building cooperative I live in for his criminal senile retaliatory eugenic assassination programming on me, for my over 20 years of research documenting his over 50 years of killing without penalties, yet.

Again, please see the reference section. His current ongoing replicated eugenic assassination tenant programming's, his attempted murders of me and his deadly usurpations in my building due to his name aligned murder of the owner of the building owner, requires investigations, public safety intervention, and stoppage of his multiple building level tenant assassination programming's.

I made several recent 911 and 311 reports since Regional Killer C. Boyden Gray's tenant injunction assassination programming and his attempted murders have escalated. Please see exhibit 1B. It is my professional contention that

Regional Killer C. Boyden Gray is using this building I domicile in to breed rats and infest NYC with his rats. The criminal use of the basement, for his NYC rat epidemic, his name aligned boilers, his name aligned heating and ventilation, urban air toxic programming's for his name aligned induced cardiac incidents. His Regional killing steps merit a death sentence. Competent public officials are needed to show his "reckless disregard for human life" and committed crimes that carry "a grave risk of death."

Regional Killer C. Boyden Gray's name aligned banking deregulation crimes inflicted on me repeatedly via his criminal law front led name aligned banking deregulation mentorship. His banking crimes and financial assaults are the precursors to his assassination programming's. Please see an example in exhibit 1C. Please see his financial assault, systemic racism crimes and his name aligned banking and credit deregulation crimes inflicted on me, so I cannot move, at exhibits 34-60.

Regional Killer C. Boyden Gray's Discriminatory Driver License Suspension program is similar to his unconstitutional, rather betray the Constitution, NY gunpoint inject and bring victims to his criminal coded unauthorized and unauthenticated surgical hit centers. Both of these eugenic assassination programs, use counterfeit laws, judicial impostures, and NY police and first responders as hit men to bring eugenic assassination victims and targets to his corrupted NY agency divisions. Please see the below link for a detailed criminal affidavit describing Regional Killer C. Boyden Gray's NY betray the Constitution, gunpoint inject and bring victims to his surgical assessment centers at:

Unfortunately, Regional Killer C. Boyden Gray's organized fraud crimes are in the attached Webster bank account, AGAIN, and I seek bank regulation. I will not be running from bank to bank due to his criminal senile crimes, documented in law as denied equal protection of the law or pure discriminatory treatment. Above all, his banking crimes usually are precursors for his assassination programming as noted in exhibit 1C, his eugenic and name aligned murder of the owner of my building. Since his banking assault and killing of the owner of my building, he has criminally usurped building and construction authority over the building for more of his eugenic killings.

With respect to his name aligned banking deregulation crimes in my account, I demand my Webster Bank records to be accurate, like anyone reading this would want and consistent with requirements in banking laws. I demand proper dates consistent with purchase dates debited. I demand full disclosure on the attached account fees. I demand proper balance record keeping.

All of the financial deregulation crimes have come out of the Allerton Avenue Webster Bank. This bank needs supervision and management, as they are operating as a Regional Killer C. Boyden Gray criminal senile organized fraud front, that needs immediate supervision.

In exhibits 47-49 , you will see the Bronx Allerton Avenue Webster Bank multifaceted inaccurate bank reporting. April 17, 2023, I made two deposits. One was for \$400.00 in cash and the other was a fifty-dollar refund check from New Rochelle Webster Bank. Nowhere in the attached Allerton Avenue Webster bank record is the \$50.00 Webster check deposit written in my bank records. I want to know why this \$50.00 check deposit is omitted and not posted separate from the \$400.00 cash deposit.

There is no reason for the New Rochelle return check for closing an account I opened at the New Rochelle Webster Bank , trying to get away from the Bronx Allerton Avenue Webster Bank, fraudulently enjoining customers in their Sterling Bank dual account organized fraud and terrorism. I deposited this check on April 17, 2023, and its check status was deliberately omitted, to hide the no reason closure of the New Rochelle Webster bank account.

February 22, 2023, I opened an account at New Rochelle Webster Bank because everything was a problem at the Bronx Webster Bank. My debit card was stolen, and they alleged they had no debit cards, and I would have to wait weeks, while a debit card at New Rochelle Webster Bank was readily available. I opened an account at the New Rochelle Webster Bank. I had no problems. The agents were civil, quite different from the Bronx, Webster Bank. March 2022 the New Rochelle Webster Bank account was closed without reason, cause, or notice. My money was unconstitutionally seized, and I want to know why.

A check was sent to me for money put in the account, with no explanation. Thereafter, I deposited such in the Bronx Webster Bank and they deliberately omitted the deposit record, and changed the date of an April 15, 2023, debit, to make it look like money was deposited after the debit. These type of bank deregulation crimes have no business in my account, and I demand this negligence to be stopped, as it paves the way for Regional Killer C. Boden Gray continued use of this bank for organized fraud management.

Please note at one point, this bank, the Bronx Webster Bank used a delusion of law, unauthenticated, non-validated, Regional Killer C. Boyden Gray name aligned, counterfeit NYS tax lien to hold my money and harass me, despite this account being a secure account with no valid liens anywhere. I threatened to call the police and show evidence of this documented organized fraud and my money was released. They alleged a NYS tax lien was in place. Exhibits 50-61 were prepared to show the world that the bank was entertaining another Regional Killer C. Boyden Gray organized fraud terrorism attack. Please see exhibit 56, this exhibit by itself, shows the clearest form of criminal senile organized tax fraud, as it is an unsigned, no authority, no affidavit, no signature, no author, NYS counterfeit Tax Warrant, that has criminally been used to implement Regional Killer C. Boyden Gray's, name aligned, deadly and documented good-standing driver license suspension program and to steal money. . The Bronx Webster Bank criminally entertained this fraud to harass me.

Exhibits 50-61, show 13 years of a Regional Killer C. Boyden Gray and Amanda Hiller, NYS Tax Criminal, organized fraud domestic terrorism. They used the attached, unsigned NYS counterfeit tax warrant and never validated tax claims, for over 13 years to steal money, stalk and facilitate their assassination programming of me, by enjoining multiple banks, the NYS DMV, and the police, in Regional Killer C Boyden Gray's name aligned Discriminatory Driver License suspension crimes. Please see exhibit 38, Regional Killer C. Boyden Gray name aligned murder by proxy programming published as his law front led: DISCRIMINATORY DRIVER LICENSE SUSPENSION CRIMES.

He is using this scripted unconstitutional driver license suspension program to kill people of color at disproportionate rates. As such, this murder program is name aligned to Regional Killer C. Boyden Gray and titled his Discriminatory Driver License suspension crimes. Again, please see exhibit 38. His unregulated, Discriminatory driver license suspension crime program is nationwide, and is one of his live organ harvest kill programs, which targets assassination of people of color.

The Bronx Webster Bank February 2023 entertaining of Regional Killer C. Boyden Gray's, attached, 13-year organized tax fraud lien, while no evidence of any validated tax lien is in existence, exemplifies the need for criminal justice involvement, as this is above and beyond inhumane treatment, stalking, financial deregulation programming, pure bank negligence and willful bank enjoinment in assassination programming. The Allerton Webster Bank is operating as a Regional Killer C. Boyden Gray name aligned, banking deregulation headquarters.

This is a major public safety issue because many seniors and elders are being victimized and are having their real estate properties stolen by this counterfeit NYS Tax warrant delusion of law and this bank's willful participation in this NYS organized fraud tax lien, using unsigned, no authority, counterfeit, NYS tax warrants. The bank agents and the NYS tax criminals, led by Regional Killer C. Boyden Gray, need to be stopped.

The Bronx Webster Bank is participating as part of a major organized crime ring, whereas their negligence and disregard of banking law, is what put the banking deregulation crimes in fruition. Again, the Bronx Webster Bank needs legal supervision and criminal investigations. This bank is being used as Regional Killer C. Boyden Gray's criminal senile assault on people of color banking deregulation headquarters. Please see exhibits 35-39 Regional Killer C. Boyden Gray name aligned, and law front led, bank deregulation, systemic racism in banking crimes.

The Bronx Webster Bank acted maliciously and negligently in harassing me with this organized NYS Tax fraud, knowing there was and is no validation of any claim on my money. The differential and harassment treatment at the Allerton Webster Bank is ongoing, continuous, and administered in a most criminal senile manner with a discriminatory impact. Investigations are needed regarding the control of this bank and the continuous discriminatory practices implemented at the Bronx Allerton Avenue Webster Bank, headed by minorities working as Regional Killer C. Boyden Gray master criminals.

The organized fraud is ridiculous and exemplified in the recruitment of customers under the name of Webster Bank and then creating a Sterling Bank account without the customer's consent or authorization. This was done to me. Since then, everything has been assaulted with Regional Killer C Boyden Gray's name aligned bank deregulation crimes. Please see pages 11-22 at: <https://ia802205.us.archive.org/7/items/april-27-2022-webster-notice-and-draft-bank-lawsuit/APRIL%2027%2C%202022%20WEBSTER%20%20NOTICE%20AND%20DRAFT%20BANK%20LAWSUIT.pdf>.

In closing, June 10, 2023, I, Miriam Snyder have written this Criminal Complaint Affidavit pursuant to Public Law 97-280, 96 stat 1211" Oct 4, 1982, and Executive Order 6100 of Sept 22 1990 which states that the: UNITED STATES OF AMERICA CONGRESS DECLARES "THE BIBLE IS THE WORD OF GOD." As such, I invoke every God created Biblical Law, designed for the perfection, maturity, and civilization of man, to mandate God's people, particularly those holding public performance bonded public protection positions, to RETAKE this earth from satanists criminally planted in Governance rulership positions, effectively using artificial legislation to enforce mass eugenic assassinations and the destruction of law, order and humanity.

This criminal report affidavit summarizes over 20 years of Regional Killer C. Boyden Gray repeated attempted murders of me, his induce hospitalization, eugenic assassination of my mother, father, and sister. Please see his induce hospitalization killings of my family members at: <https://www.forevermissed.com/mazarine-levy-snyder/stories>.

The owner of this building, I live in, was a blessing to me, because he knew Regional Killer C. Boyden Gray was trying to have me killed. He safeguarded the tenants and did not take Regional Killer C. Boyden Gray's criminal insurance money to kill the tenants under one of his attached noted, induced disasters and or building collapse programming. Regional Killer C. Boyden Gray programmed the building owner's name aligned Covid induce hospital healthcare killing, because he did not enjoin in Regional Killer C. Boyden Grays tenant killing program.

Regional Killer C. Boyden Gray programmed the building owner's financial assault and his name aligned Covid healthcare induce hospitalization killing. Please read exhibit 1C. Regional Killer C. Boyden Gray is 82 years old, criminal senile, demon possessed, has been killing millions of people with no penalties yet, for over 50 years. He is not above the law. On behalf of humanity and public safety, I seek his arrest and removal from humans. Regional Killer C. Boyden Gray, eugenic killings and crimes have to be stopped and penalties enforced on behalf of public safety and to make sure his criminal senile eugenic crimes and killings, will never be replicated again.

Finally, this criminal report affidavit is well grounded, cognizable in facts, warranted by existing public safety and human rights law and by good faith arguments for the enforcement of existing laws. This criminal complaint against Regional Killer Boyden Gray is not interposed for any improper purpose. I am filing this criminal report in good faith and solely for the purposes set forth.

AFFIDAVIT

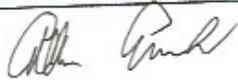

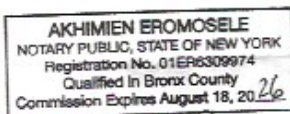

I, Miriam Snyder, this June 9, 2023, declare, under God and the laws of this country, that this criminal report affidavit, regarding Regional Killer C. Boyden Gray's over 20 years attempted murders of me, have to be stopped, and the declarations, and attached exhibits are accurate, true, and based on my personal experience. His name aligned, induce hospitalization killing of my mother, father, sister, and the owner of my building, coupled with his financial assault bank and credit deregulation crimes, his attached name aligned infectious disease laboratory rat infestations, his name aligned radiation and energy slow kill cable boxes put in my hallway, his name aligned and his repeated directed energy weapon assaults on me, and his deadly, name aligned, discriminatory driver license suspension organized fraud crimes, require stoppage and arrest. Regional Killer C. Boyden Gray felony murder crimes merit a death sentence based on his history of a "reckless disregard for human life" and his ongoing, continuous, and committed crimes that carry "a grave risk of death."

How can you tell if a document is real or fake?

There are several ways to determine whether a document is genuine or fraudulent. The first step is to understand the purpose of the document. Is it being used as proof of identity? If so, you should absolutely verify the document's validity before accepting.

Finding **alterations in these documents is crucial to determining their authenticity**. It used to be possible to detect with the naked eye using high-powered magnification. Not so much today, thanks to technological advancements.

However, manually detecting **pseudo documents** is still possible if it's done by amateurs. Things you can look for include:

- **Missing or altered numbers**
- **Errors in the data (e.g., misspelled names)**
- **Altered text or images**

Jeffrey Schneider sought the lifeline when the pandemic state eviction moratorium forced his company into dire financial straits, according to the court papers filed by his wife, Cindy. Provided by the lawyer for the Schneider family. The family of a Bronx landlord, who was clinging to life when he was hit with two lawsuits over a loan he was forced to take out during the pandemic-related rent moratorium, is now considering suing the lender after he died over the weekend, the family's lawyer said. Jeffrey Schneider, 62, was on life support after contracting COVID-19 when Premier Capital Funding LLC filed the suits to claw back \$58,000 on a \$23,000 high-interest loan he took out in May through his company Remie Realty Corp. — after many of his struggling tenants stopped paying rent, according to court papers filed by Schneider's wife last month.

Now, the family is considering suing the lender over its allegedly shady loan agreement with Remie and Schneider, who died Sunday after being on a ventilator and life support since Nov. 29.

"The last moments [the Schneider family members] were together they were thinking about how could they get out of this financial situation, how could they get out of this debt, how could they stop these vultures from circling," the family's lawyer Ashlee Colonna Cohen told The Post.

"They should have been able to spend those last moments talking about how much they loved each other and how much they meant to each other and

Company sues man on life support with COVID in order to recoup loan

The landlord of the rent-controlled Bronx apartment building managed to pay back \$25,000 of the roughly \$35,000 total he owed on the high-interest loan before coronavirus landed the fully vaccinated man in the hospital on Nov. 7 — where he remained until he died, leaving him unable to run his business, the filing said.

ago. What's the problem? PBDEs are endocrine disruptors, wreaking havoc with the thyroid hormones in the third trimester of pregnancy, when brain connections are forming. Lab tests show PBDEs significantly impact exposed rats and mice, creating brain deficits that make it harder for them to learn and move normally. Levels of PBDEs in human breast milk and birds that eat high on the food chain are now close to levels that caused problems for the lab rats.

HOUSING PLOT

Orders Forced Removals of People Deemed Mentally Ill, while Housing Remains Out of Reach

By David Brand  . Published November 29, 2022

The mayor issued a directive to the NYPD, emergency medical services and the Department of Health and Mental Hygiene empowering them to “involuntarily transport” people experiencing acute mental health crises to hospitals, even if they do not present an immediate threat to themselves or others. But it remains unclear where they will go for continued assistance and housing after they are discharged.

Black professionals who have been navigating systemic racism and working to change it for decades say it's past time for the rest of their industries to get on board. There are concrete methods of fighting racism that are more effective. As attention to systemic racism takes center stage during this pivotal moment in our country, the prevailing question is how much longer must they wait.

Abstract
This paper shows that local banking market conditions affect mortality rates in the United States. Exploiting the staggered relaxation of branching restrictions in the 1990s across states, we find that banking deregulation decreases local mortality rates. This effect is driven by a decrease in the mortality rate of black residents, implying a decrease in the black-white mortality gap. We further analyze the role of mortgage markets as a transmitter between banking deregulation and mortality and show that households' easier access to finance explains mortality dynamics. We do not find any evidence that our results can be explained by improved labor outcomes.

AFTER THE TWO DEPOSITS OF \$400.00 AND THE \$50.00 CHECK THE BALANCE BECAME \$508. 00. CORRECT THIS. I MADE TWO DEPOSITS AND I DEMAND ACCURATE NOTATION OF TWO DEPOSITS ON APRIL 17, 2023

THE BALANCE ON APRIL 11/2022 WAS \$808.00

THE BALANCE ON APRIL 15, 2022, WAS \$508.08. THIS IS OMITTED. CORRECT THIS.
THERE WAS NO SERVICE CHARGE ON APRIL 15, 2023. WHERE DID IT COME FROM? WHAT IS IT FOR? PUT THE BALANCE FOR AUGUST 15, 2023 AFTER THE COSTCO \$450.00 DEBIT. WHAT WAS THE BALANCE?

If you are in court, look up your judge carefully. Demand authentication of the judge's credentials. Hire a private investigator. This eugenic cult is moving in actors and actresses as judges, because in NYS no one is vetting judges, for the sole purpose of criminally insane, eugenic assassination programming. Please see page 62, in the below link. This page shows the leader in these deliberate medical malpractice crimes, his name is C. Boyden Gray. He is a

documented eugenicist and regional killer. He kills massively by regions under the disguise of medical phenomena. He targets people of color first, for eugenic killing practice, thereafter he kills babies, pregnant women, healthy women, and men as a whole. The NYS Commissioner of Health, Mary Bassett works with Regional Killer C. Boyden Gray.
